## Engineering & Tech Week

### Invitation to Participate in Engineering & Tech Week

**DATE:** 27 February – 3 March 2023 | **GRADES:** 8 – 12 | **VENUE:** Sci-Bono Discovery Centre

Dear Principal

The Sci-Bono Discovery Centre warmly invites your school to participate in the **Engineering & Tech Week** taking place at the centre from **27 February – 3 March 2023**.

The programme targets learners in Grade 8 to 12 and aims to fulfil the following objectives:

- Expose learners to the various activities and innovative products within the industry;
- Communicate the applications of STEM in the engineering & technology industry, enhancing the understanding and appreciation of the industry;
- Showcase the full range of career and study opportunities available in the engineering and technology industry;
- Create awareness of and interest in the different engineering and technology professions.

The programme will run from **09:30 – 12:30**.

**NB: Learners are encouraged to bring their own packed lunch.**

For reservation, please complete the table below and send through to our Bookings Officer, Ms. Cynthia Sithole at [cynthia.sithole@sci-bono.co.za](mailto:cynthia.sithole@sci-bono.co.za) or for more information, contact the bookings office on **011 639 8400**.
